

ISS Wire Shelving

This durable round post system is interchangeable with other manufacturers' shelving product and ideal for almost any environment.

SPG Freestyle Cantilever Shelving Offers:

- Shelves up to 60 inches long are rated to support 1,250 lbs. of uniformly distributed static weight
- Shelves feature extra trusses for a higher load rating, less deflection and the ability to use longer shelves
- Posts are numbered on 1" increments to speed assembly and ensure more precise shelf alignment
- Our one-piece hinged Sure-Lock™ coupler makes assembly easy and improves stability
- Marine waterfall shelf edge allows easy loading and unloading
- Shelves are available in wire (standard, wide-body, and inverted), dunnage, Series 300 solid stainless steel and plastic
